

Artist Consignment Submission Form

Consignments are accepted on Tuesdays and Thursdays during normal business hours - or by appointment. All artist consignments must be pre-approved by us prior to arrival at the store. For pre-approval, please email pictures along with this form to us at info@furnishtraders.com.

Items we are currently reviewing for acceptance include: Paintings, photography (framed), wood carvings, sculpture, pottery, and other miscellaneous artwork or handicraft that one might expect to find in a home furnishings store. We also accept a select amount of handcrafted furniture pieces. Please note that we now limit pricing on our wall art to a maximum list price of \$100. This max is due to what we've discovered to be in demand in the shop. Please ensure your wall art is ready-to-hang.

Approved Artist Consignors are asked to email us a brief artist bio that may be displayed in the store, on our website under *Featured Artists*, and/or used for other marketing purposes.

Form Instructions: Please enter each item you wish to consign below and your retail list price. Please note: We do not give price incentives to store customers on artists' consigned works, so your art will stay at the same price throughout the entire consignment term. Please take this into consideration when listing your retail price.

I, _____ [*Print Consignor Name*] hereby submit the below items for consignment. I understand only the items accepted by Furnish Traders will be consigned, and only upon Furnish Traders' receipt of a mutually-signed Artist Consignor Contract.
